REMOTE ACCESS CUSTOMER DATA

Please complete the following information to receive access to remote on-line access to the Secretary of the State's CONCORD system. An adjustment to your account will be made monthly and a statement of your balance will be sent to you. The quoted amounts may be changed at any time by this office if warranted.

A minimum deposit of $500.00 will be required to turn access on. If the balance falls below $100.00, access will be shut off until such time as the account is replenished.

Included in your monthly charges are several fees. These include CATER's ID maintenance fee of $10.00, the usage charges from CATER, and a 20% administration fee charged by the Office of the Secretary of the State. These fees will be included in the total amount deducted from your account each month. There will not be a breakdown of all the fees, just a lump sum reduction.

Documentation and logon ID will be forwarded to the contact person listed below as soon as possible.
